Through the new partnership, your gym members will get exclusive savings at major retailers, including Argos, John Lewis & Partners and 100s more.

As a franchisee, you'll earn commission on each of your members' purchases and following their free trial, a significant share of their subsequent membership fees.

Epoints makes it simple for you. All you need to do is encourage your members to sign up and epoints do the rest.

Offer your members a Gold Account FREE for 6 months, **saving them £65.**

Based on 1000 members, that's £65,000 in fees waived!
